

Hello, [Parents/Community Leaders, etc.]!

As a community service project, [name of school/organization] will be collecting Pull Tabs to donate to Cincinnati's Ronald McDonald House. We're helping keep families together when it matters most, and we're teaching our [students/employees] the value of recycling! [Group members] can bring tabs to [school/work] in any non-breakable container to be sent to the [designated location].

Ronald McDonald House provides a "home away from home" for the families of critically ill children seeking medical treatment at Cincinnati Children's Hospital Medical Center. Pull tabs are recycled to earn money to help provide all the comforts of "home" to these families.

[name of school/organization] can also earn rewards for participating in this program. Our goal is to become a member of the Thanks a Million Club by collecting 1,000 pounds of tabs and earn a visit from Ronald McDonald himself! We can also earn certificates of appreciation and gifts for increments of 250 and 500 pounds.

Please contact our program coordinator or visit RMHCincinnati.org for more information. Your support of this program and the families of critically ill children is greatly appreciated.
