Comfort Quilts

Because we want every family who comes to live in our House to feel comfortable and at home, we prepare welcome bags containing a small toy for each child, a notepad and pen, some toiletries, and, most importantly, a small, handmade quilt. Our children feel so special to have a quilt of their own and each becomes a treasured keepsake.

When making quilts for our House, please keep in mind the following:

- ♥ Quilts should be crafted from new, clean fabrics only.
- ♥ Please sew quilts in a smoke-free, pet-free area.
- ♥ Please wash and bag your quilt before bringing it to our House.
- ♥ We prefer all quilts to be approximately 40" x 40".
- ♥ We welcome quilts of all patterns & colors.
- ♥ Designs for boys are needed most.

We are also happy to accept donations of cotton fabric.
Join one of our quilting sessions (below) or sew in your home.
